Reflection

FROM THE PRINCIPAL'S DESK

Dear Parents,

Greetings!

*Hope you and your family are keeping Safe and welcomed the Monsoon !*

*Going beyond Digital classrooms, Collaborative and Experiential Skill based Learning plays a Pivotal role in the child's life which sparks their all-round development .Knowing that a supportive and unrestrained environment can serve as a catalyst in discovering and nurturing the passion of a child. Child thus gets trained, grows his/her talents and is ready to achieve maximum Success.*

*We have already initiated Global practices, Competency and Skill based Pedagogies enveloping Digital modes to nurture future Leaders in a right and supportive environment. Aspiring to be a Learning community where students and Educators embrace a Life Long Learning habit & become self- directed learners. All the above is engineered by keeping ourselves rooted to the Bloom's taxonomy encouraging Higher-Order thought in students by building up from lower-level cognitive skills. Learning outcomes are given to highlight and nurture the Cognitive knowledge, Comprehension Application Analysis, Synthesis, Affective, Receiving, Responding, Valuing, Organizing, Characterizing, Psychomotor.*

*Higher up students program is constituted to ace the competitive examinations by allowing them to be Career Ready thus providing them with the edge to beat the cut throat competition .*

*Praying for the Safety of All during these tough times.*

Warm Wishes!

Ms. Sushmita Deb

Principal

The month commenced with the essence of optimistic values portrayed by the little ones

Focus on the step in front of you.

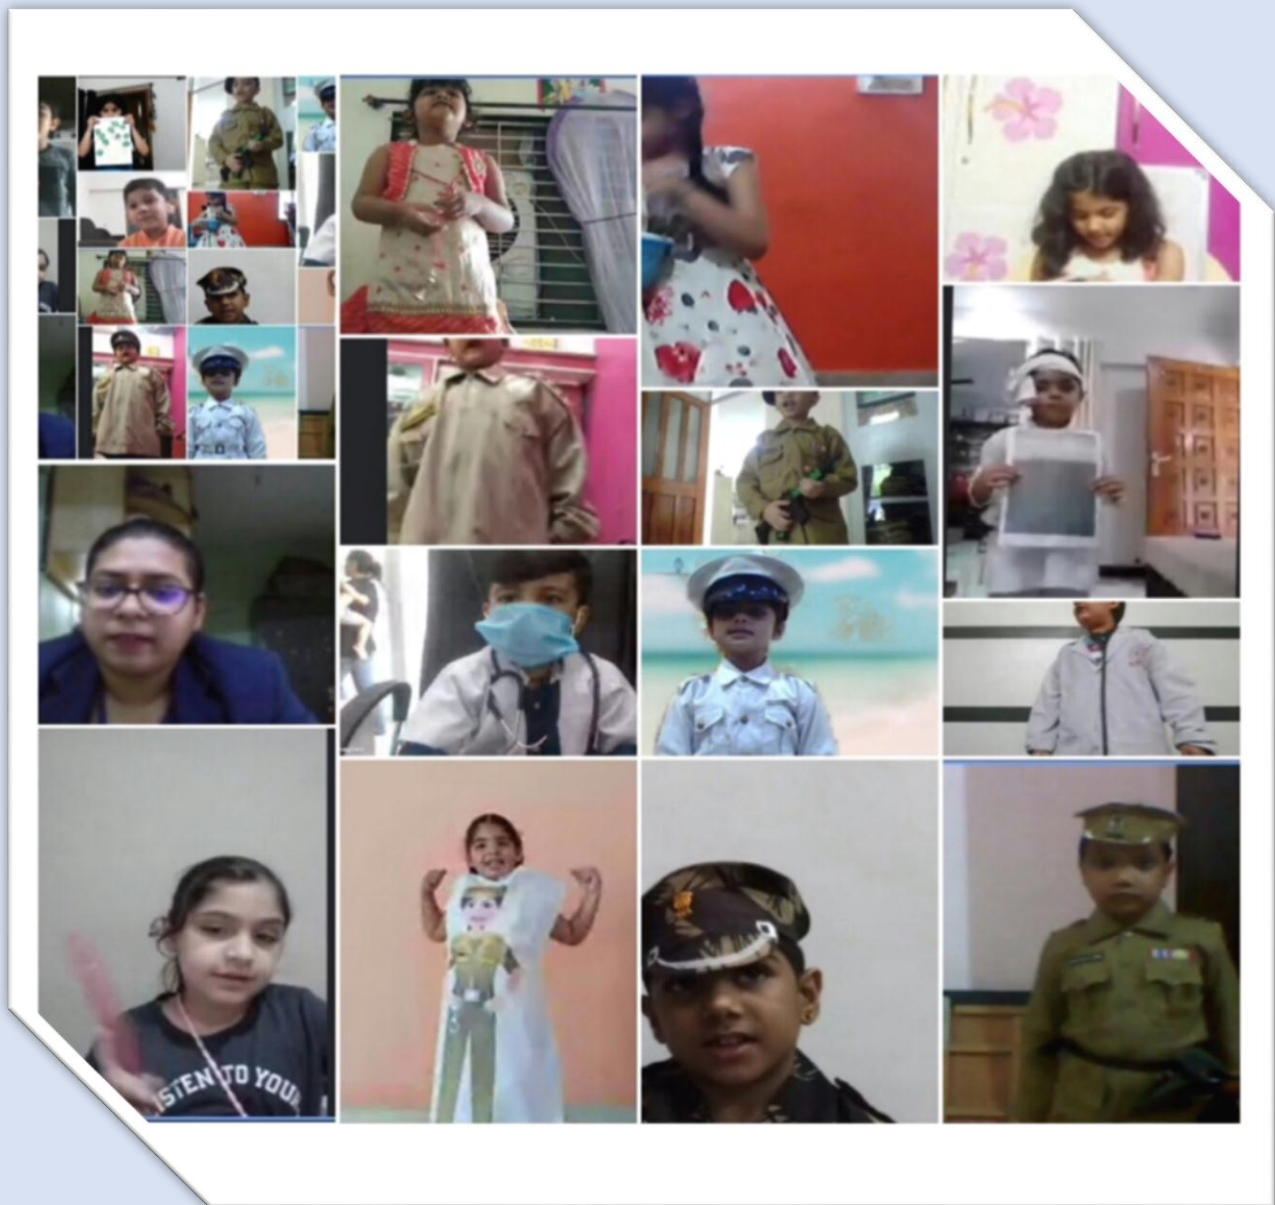

The students got enlightened throughout the month with the knowledge of Olympics.

**They learnt the essence of Live and Let Live and imbibed it in their day-to-day life**

**On 7<sup>th</sup> of July the students showcased their Persona and displayed the importance of people who help us.**

**On 8<sup>th</sup> July a session on Enhancing Creativity and Kinesthetic was experienced by the little kids. The Environment Science class was never so interesting before.**

**On 9<sup>th</sup> of July the Pre-Primary kids expressed their Joyfulness in preparing the patterns and shapes during their Numeracy session.**

## TOPIC - BREEDS OF DOGS

ENGLISH EXTENDED LEARNING

GRADE - 2

DATE - 12<sup>th</sup> JULY 2022

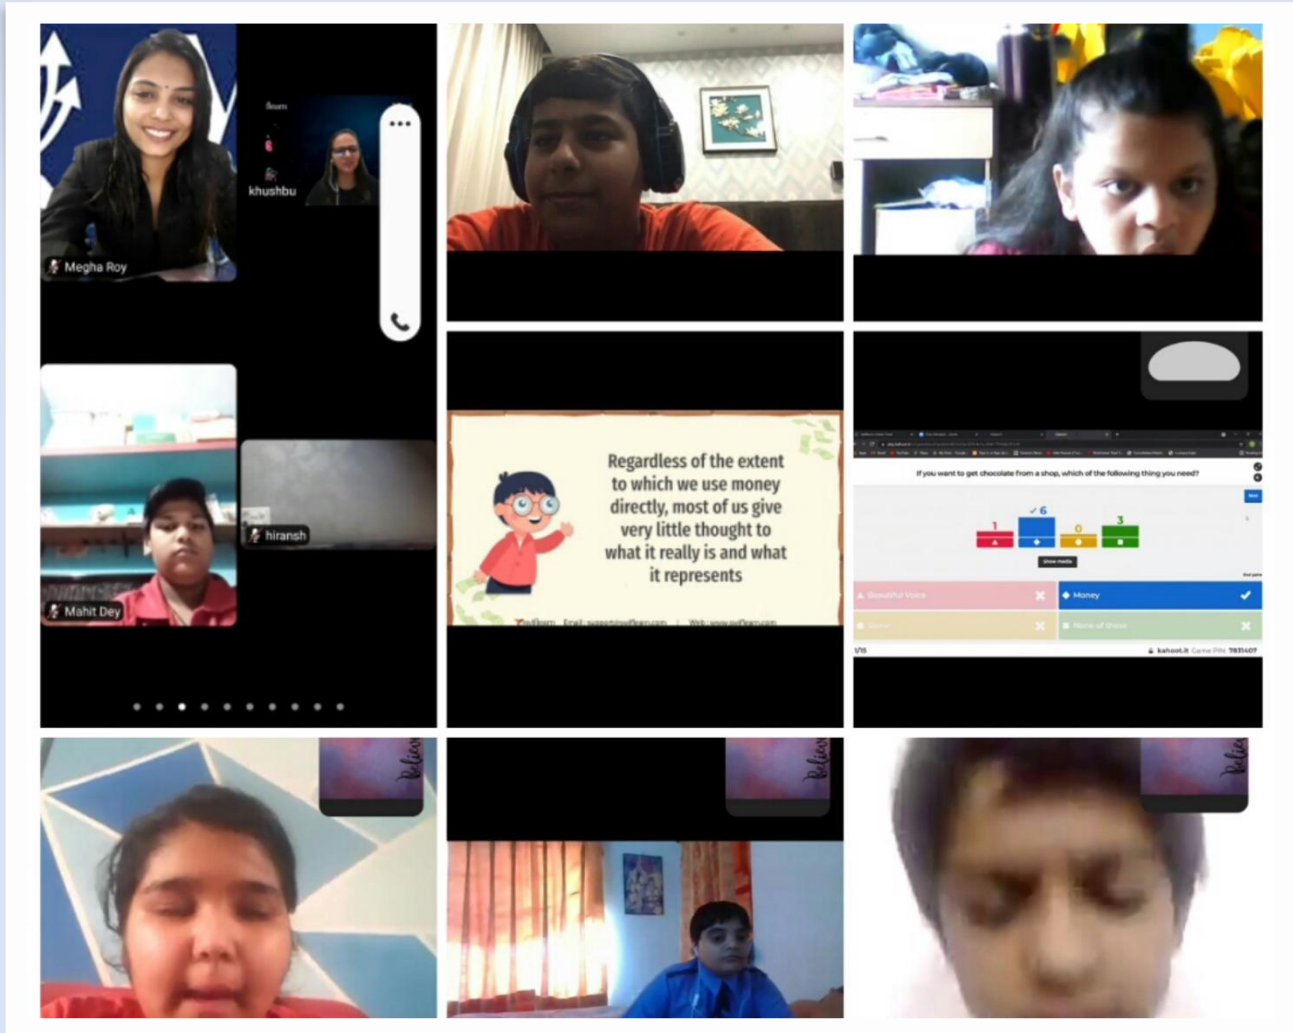

CHAPTER - 3 My Little Pup

# Dog Breeds

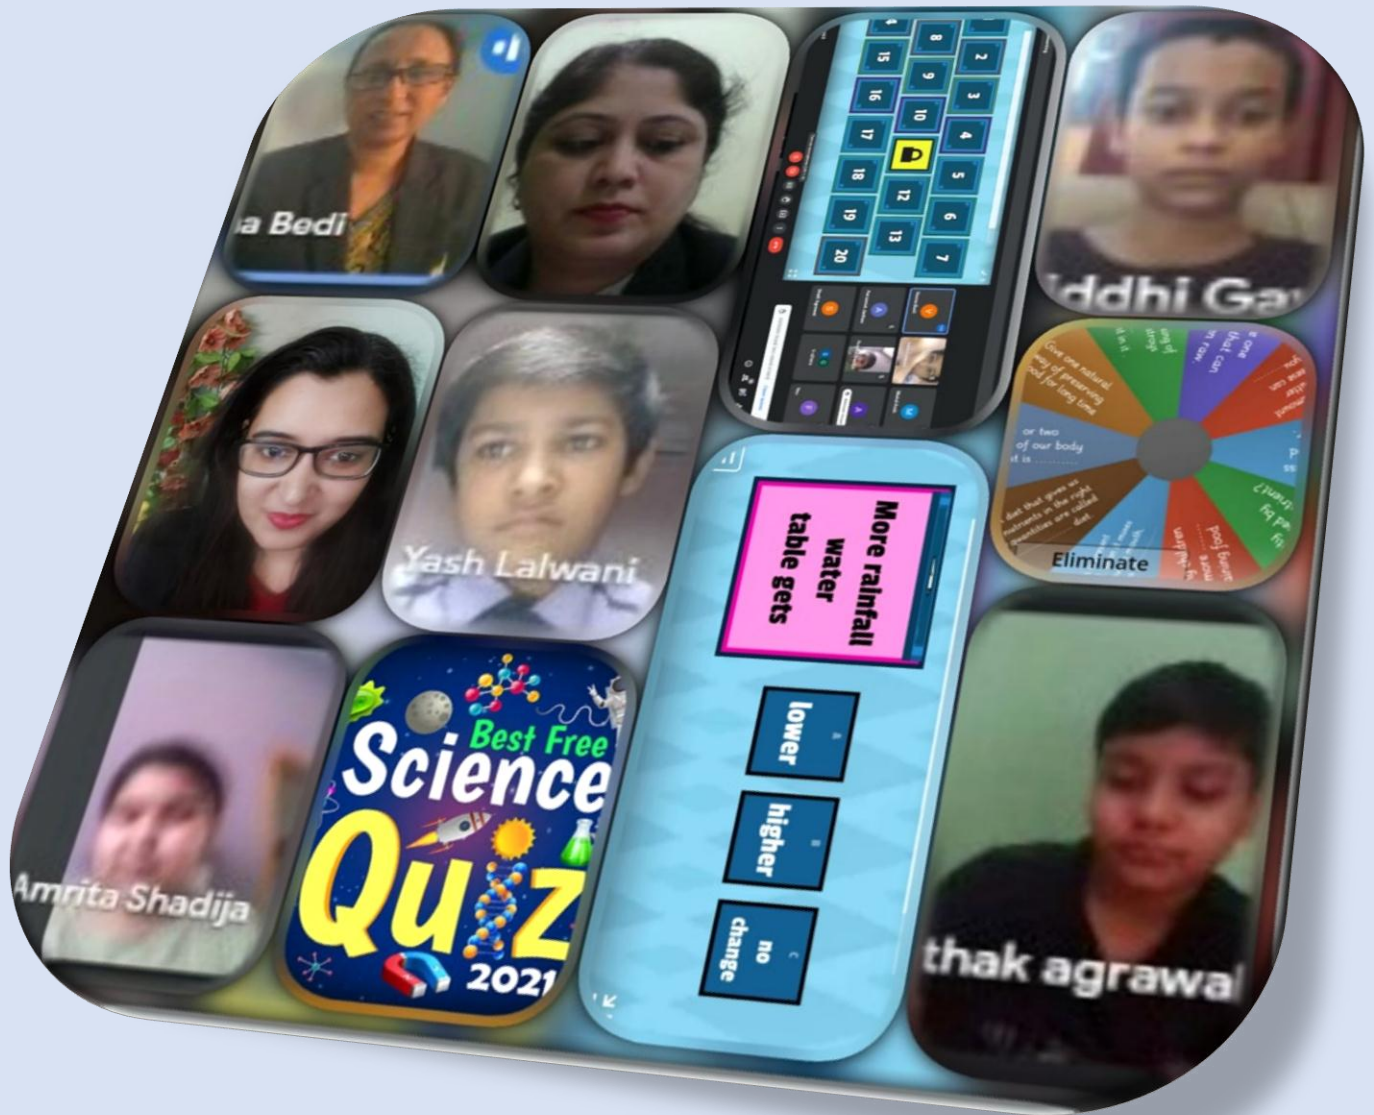

## GRADE 2 EXTENDED LEARNING

On 12<sup>th</sup> July, Kids boasted their learning about different breeds of dogs through the extended learning session. Art Integration was incorporated were in they sketched a Kennel .

## Money Smart School program

A new Leaf by integrating financial education in short modules in its curriculum to usher amongst learners' necessary orientation of basic Money concepts at an early Stage. This will enable students to make choices in future and later pursue it as a Skill course with multiple career possibilities open for them.

On 17<sup>th</sup> July the middle compartment students enjoyed taking part in the third phase of Quiz Competition, the most magnificent sign of wisdom where change is the end result of true learning.

On Ashadh Shukla Purnima, Guru Purnima program in honor of their gurus, in which the tableau related to Guru-Gratitude, Gratitude and Guidance was made with a unique incorporation of Indian culture into modern education with devotion. Teachers, blessed them wishing students not only to set their own records in the academically but also to be inspirational for everyone.

On 26<sup>th</sup> July 2021 Kargil Vijay Diwas was celebrated by the students with enthusiasm and Patriotism.
