# FANTASTIC FEBRUARY 2023

# CONTENTS

**1. BIRD FEEDING ACTIVITY**

**2. FAREWELL 2023-24**

**3. NEP 2020 TEACHERS TRAINING SESSION**

**4. SCIENCE OLYMPIAD**

**5. PROFESSIONAL DEVELOPMENT PROGRAM**

# BIRD FEEDING ACTIVITY

**“We don't feed the birds because they need us; We feed the birds because we need them.”**

**“Feeding birds means feeding ourself! Birds are a part of our nature and feeding nature is nothing but feeding ourself!” So we all feed birds.**

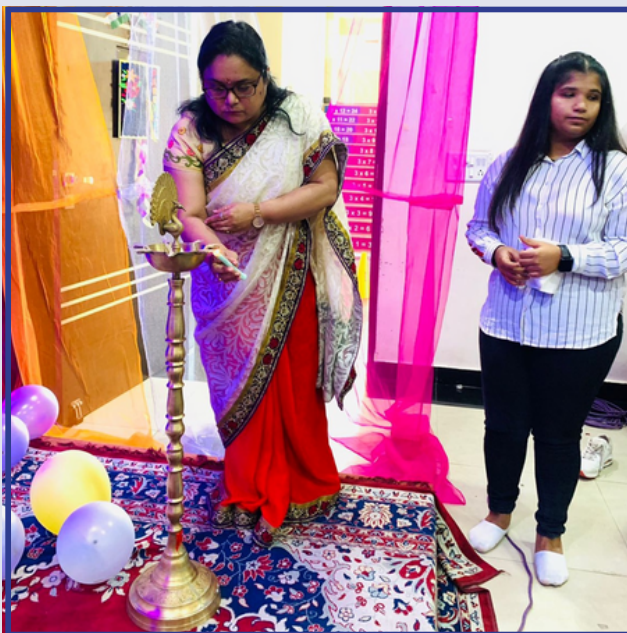

# FAREWELL 2023-24

Graduating from school or college is one of the happiest moments of our lives. But at the same time, it's bittersweet too. The time when we bid adieu to all our friend with so many long-cherished memories taking with us as we move a step ahead in our journey of career.

But no matter how hard it is to say goodbye, remember that all farewells do carry a promise of good things and new beginnings.

# NEP 2020 - TEACHERS TRAINING SESSION

“The mediocre teacher tells, the good teacher explains, the superior teacher demonstrates and the great teacher inspires”  
NEP Training paved a way for all MM teachers to be transforming educators than reforming in the new education system.

# SCIENCE OLYMPIAD

If you believe in yourself and have dedication and pride - and never quit, you'll be a winner. The price of victory is high but so are the rewards.

This was evident when the MM learners bagged Gold Medals in The Science Olympiads.

# PROFESSIONAL DEVELOPMENT PROGRAM

Continuous Professional Development helps teachers keep up with the latest developments in their field. It means they can provide more engaging lessons relevant to today's students. It also allows them to develop new skills and techniques that will help them become better educators overall.

Keeping in tandem with this a Professional Development Training was taken by Dr.Kumaran Senthil A (Senior Counsellor Education Excellence at Confederation of Indian Industry) Bengaluru, Karnataka, India
