

THE MM CHRONICLES

Godriwala Presents

The MM Chronicles brings to you a quick wrap-up of all the fun-filled activities and awesome events that we have over the past month

Feeding birds makes a world of difference in an individual's life as well as for our planet. It helps to restore the balance of nature. When you feed birds, you help more birds and their offspring survive. The most noticeable benefit of feeding birds is simply the pleasure and inner calmness their company can bring us.

Teachers Orientation Programme was conducted on Classroom Management.

Celebration of world Yoga Day as Yoga improves strength, balance and flexibility. Slow movements and deep breathing increase blood flow and warm up muscles, while holding a pose can build strength.

Weaving Fabric Activity. Learning by Doing.

We all have our own life to pursue, our own kind of dream to be weaving and we all have the power to make wishes come true, as long as we keep believing. "A good life is like weaving". "We all have our own life to pursue, our own kind of dream to be weaving and we all have the power to make wishes come true as long as we keep believing. A Good life is like weaving."

Family Day- is an event that was intended to allow loved ones to take a respite from their daily lives and spend quality time together so that the children imbibe the qualities of love, respect, caring and sharing.

Skill Studio folk art activity was conducted in MM school to motivate the students and give knowledge about Warli Art. Warli painting is a form of tribal art mostly created by the tribal people from the North Sahyadri range in Maharashtra, India. Palghar district. The Warli are an indigenous tribe of western India living in mountains as well as coastal areas along the Maharashtra-Gujarat border. They have their own animistic beliefs, life, customs and traditions and as a result of acculturation they have adopted many beliefs.
