PARENTS ORIENTATION PROGRAM

Embarking on a journey of discovery and growth. Welcome to the orientation program!

NOUN ACTIVITY

Grade-2 students engaged in a dynamic lesson on Nouns through gamification, playing a lively "4 Corner" game in the garden. Witnessing their enthusiasm was truly remarkable, as they enjoyed themselves immensely while also sharpening their cognitive and kinesthetic abilities.

HINDI POEM RECITATION

Hindi poem recitation was emphasized as a classroom activity where the students enjoyed developing their communication skills with hand made props.

EXPLORING THE WONDERS OF SCIENCE

"Exploring the wonders of science firsthand, our Grade 6 students embarked on an unforgettable lab visit. Witnessing theory come to life, they embraced curiosity and discovery like never before. We're thrilled to share some captivating moments from our recent Grade 6 lab visit! 🧪 Thank you for your support, together we nurture the young minds for a bright future."

INTERACTIVE OUTDOOR LEARNING SESSION

Grade-3 students engaged in an interactive outdoor learning session where they explored the concept of Nouns through the engaging 4 Corner game. With minimal guidance from the teacher, they independently participated, showcasing their understanding of nouns. Following the activity, they further demonstrated their comprehension by independently completing exercises to identify and sort nouns in their grammar books. Witnessing their enjoyment and simultaneous learning was truly rewarding.

FELICITATION OF GOLD MEDALISTS

The Gold medalists of SOF International Mathematics Olympiad were felicitated by the Principal Dr Sanjoy Bhattacharya.

BIOLOGY LAB VISIT

We're excited to give you a glimpse into the fascinating world of science with our Grade 9 students' recent Bio lab visit! Together, we inspire curiosity and empower young minds to reach the stars ✨

POSTER MAKING

To celebrate World Theater Day students showcased their talent and knowledge by making colourful posters.

WONDERS OF SCIENCE

"Exploring the Wonders of Science: A Journey through Experiments and Discovery at Our School Chemistry Lab!" 

Grade -7 to Grade -12 

This visit aims to showcase the practical apertures of our curriculum and the importance of hands-on learning in science education. During the visit, our students will be conducting various experiments related to the current topics in their syllabus.

POETRY READING

"On March 18, 2024, M.M. School hosted a Poetry Reading event for students in grades 6 to 8, fostering a platform for self-expression and literary exploration. The occasion witnessed enthusiastic participation as students seized the opportunity to showcase their poetic talents, thereby bolstering their confidence. Witnessing their peers' performances served as a catalyst for others to step forward, underscoring the profound impact of poetry as a medium of artistic and personal expression."

THE ONLY WAY TO LEARN
MATHEMATICS IS TO DO
MATHEMATICS

Children of Grade-2
are enjoying the game
of arranging numbers
at the correct place
which enhances their
numeracy skills.

SPEECH CRAFT ACTIVITY.

Great news! *Grade 2*
students had a blast during
their *Speech Craft Activity* !
They played a *Mimic Game*
where they mimicked
characters from a cartoon. It
was amazing to witness their
joy and learning as they
participated. This activity not
only increased their listening
skills but also enhanced their
English communication
abilities. Keep up the fantastic
work, Grade 2!

WORD WHEEL ACTIVITY

Grade 2 students have created a Word Wheel to enhance their vocabulary in a fun and gamified manner.

EXPRESSIVE ART GALLERY

The students of *Grades – 5, 7, 8 & 9* were instructed to create an original piece of art, be it a sketch, drawing, painting, doodle, poster etc, depicting his/her own personality and nature. They would then have to share with the class how that piece of art describes them as a person, in a given time period of 2 minutes. This activity not only aims at enhancing their speaking skills but also touches upon their creative thinking skills, artistic skills, writing skills and presentation skills.

HINDI SLOGAN WRITING

Hindi Slogan writing activity was conducted for the budding grade-5 students.

EXPRESSIVE ART GALLERY - MIMIC GAME

Great news! *Grade 4* students had a blast during their *Speech Craft Activity* ! They played a *Mimic Game* where they mimicked characters from a cartoon. It was amazing to witness their joy and learning as they participated. This activity not only increased their listening skills but also enhanced their English communication abilities. Keep up the fantastic work, Grade 4

ENGLISH INTEGRATION WITH MUSIC

Grade 4 students enjoyed a harmonious blend of English and Music, exploring instruments in the music room and matching names with pictures in their English books.

SPEECH CRAFT SHOWCASE - SELF WRITTEN STORY TELLING ACTIVITY

Grade 6 students participated in a Speech Craft Showcase, sharing self-written stories in under 2 minutes. The event aimed to boost creativity, emotional expression, and communication skills through storytelling. It helped students develop confidence, vocabulary, and a sense of well-being in a fun and relaxed environment.

SPEECH CRAFT ACTIVITY - TONGUE-TWISTER TRIUMPHS

Exciting News! Our Grade 3 students recently dove into the world of Tongue Twisters as part of their Speech Craft Activity. 🗣️ They had a blast challenging their pronunciation skills and had a ton of fun in the process! 😊

ORDNANCE FACTORY DAY

A special assembly was conducted to energize the students with the information and importance of ordnance factories. Students were felicitated by Principal Sir on this occasion for their exemplary performance in Olympiads.

"LEARNING IS FUN"

"🌱🌻🌼 Our *Grade 3 and 4* students embarked on an exciting journey of learning and fun with our *Plastic Bottle Garden* activity! They brought their own bottles and seeds, diving into the process of planting with enthusiasm and curiosity. Here's to fostering a love for nature and sustainable practices in our young learners!"

CROSSWORD PUZZLE SOLVING ACTIVITY

📖 An exciting activity was conducted in Grade 9 Social Science - Economics class. Our students enthusiastically participated in a crossword puzzle activity centered around Chapter 1, "The Story of Village Palampur." It was a fantastic opportunity for them to apply their 📚 knowledge of key economic concepts such as factors of production, farming, and irrigation in a fun 🎨 and interactive way. It was truly inspiring to witness their engagement and enthusiasm as they worked collaboratively to solve the clues on the board. I believe that this activity will play a vital role in reinforcing classroom learning and fostering a deeper understanding of the subject matter.

HOLI CELEBRATION

The trees smile with their sprout of tender leaves and blooming flowers, Eternal nature with its transient expression. Hails spring with ecstasy and joy! Bewildering shades with so many tinge. The land of beauty and greatness, India, witnessing the color of happiness and peace. Nation comes alive to enjoy the spirit. A celebration of color-Holi! An experience of content, harmony and delight

Godriwala Presents

SANSKRIT SLOKA RECITATION

A very important and extremely exciting program has been organized in the school. On 28 March 2024, a Sanskrit sloka recitation class was organized in the school. This class has been organized for students of classes 6, 7, and 8. The program provided a unique opportunity to excite the students towards Sanskrit language and Sanskrit literature. The students got an opportunity to recite their favorite shlokas and also got a chance to discuss their meaning and significance. Which helped in developing linguistic skills and also increased their morale and self-confidence.

SCHOOL ASSEMBLY.

Thursday's *Junior* *school assembly* was led by our *Grade 4* students, who did an outstanding job! They engaged everyone by kickstarting the morning with *an engaging Mental Math quiz* tailored to each grade level, encouraging everyone to exercise their brains bright and early.
