WELCOME TO MM SCHOOL

“Where Modern Education Is Taught With Morals”

The school name “MM” is a reflection of the name of Late Shri Mansharam Thourani & Late Smt. Meera Devi Thourani”. The school name reaffirms the faith. MM School is affiliated with the Central Board of Secondary Education (CBSE). Our vision is to transform the naive learners from all backgrounds into educated strata of the society, inspire them to be just and ethical citizens who will be wise and principled leaders to serve a meritocratic India. We do this by attracting and developing exceptional learners and teachers.

We also aim to be the most exciting place for educators to work together and a centre for excellence in professional development for teaching and pastoral care. We look outwards and see what we can learn from others in the field of education and training and we invite others to share and participate in what we do.

BOARD OF DIRECTORS

I AM DEDICATED TO SHAPING RESPONSIBLE CITIZENS

‘Knowledge is not enough. Knowledge with morals, that is the goal of true education’.

We, as parents, all want our children to grow up to be responsible citizens. They should learn to feel, think and act for themselves and for others too. At the same time they should be able to pursue their own well-being, and be considerate about the needs and feelings of others. We look forward to them recognizing and honour the democratic principles upon which our country was founded. We want our children, in nutshell, to develop strong character.

The cornerstone of Modern Education with Morals is academic achievement along with moral values and professional success should be built upon a foundation of moral strength and civic virtue.

‘Quality education provides citizens with the equipped tools to participate fully in their society.’ The returns for encouraging our children’s knowledge with character development are enormous.

Research is obvious that children who grow up with strong, positive values are happier and do better at school. They’re able to balance their personal wants and needs against those of others and make positive contributions to society as well.

The most powerful thing we can do for our kids is to help them acquire values and skills that they can rely on throughout their lives. This will help them to lead good lives as individuals and as citizens of their communities and of India.

THE RIGHT SCHOOL FOR YOUR CHILD

#MMitesTheLeadersOfTomorrow

WHY MM SCHOOL

At MM we understand the importance of selecting the right school for your child. As concerned and mature parents, it is very natural to look for the very best for your kids and at the same time feel a sense of satisfaction with your decision.

Through this prospectus, we want to show you 7 reasons to join MM and why we are the right choice.

- EXCELLENCE FOR ALL (A teacher-student ratio of 1:15)
- ACADEMIC EXCELLENCE
- ENCOURAGE EVERY CHILD TO EXPLORE
- UNIQUE EVENTS
- SPORTS ENVIRONMENT WITH BEST AMENITIES
- ADDING FINESSE VIA CAREER COUNSELLING
- SOCIAL INITIATIVE

MMiite PROFILE

MM curriculum aims to prepare the learner as a global citizen with a profile having excellent –

- Communication Skills through International exposures
- Entrepreneurship Skills (Teach a Man to Fish)
- Leadership Skills (Clubs' activities)
- Interpersonal Skills (Inter-school Competitions)
- Personality (Multi Exposures both at National and International level)

OUR CURRICULUM – THE MM WAY

As per National Education Policy (NEP 2020)

MM School offers a broad-based curriculum that includes academics, service, sports, creative arts, and activities. The curriculum seeks to prepare every learner to understand her/his unique abilities, to define goals which are both idealistic and obtainable, and to achieve them. The academic programme includes the benchmarked CBSE in the 10th & 12th Standard.

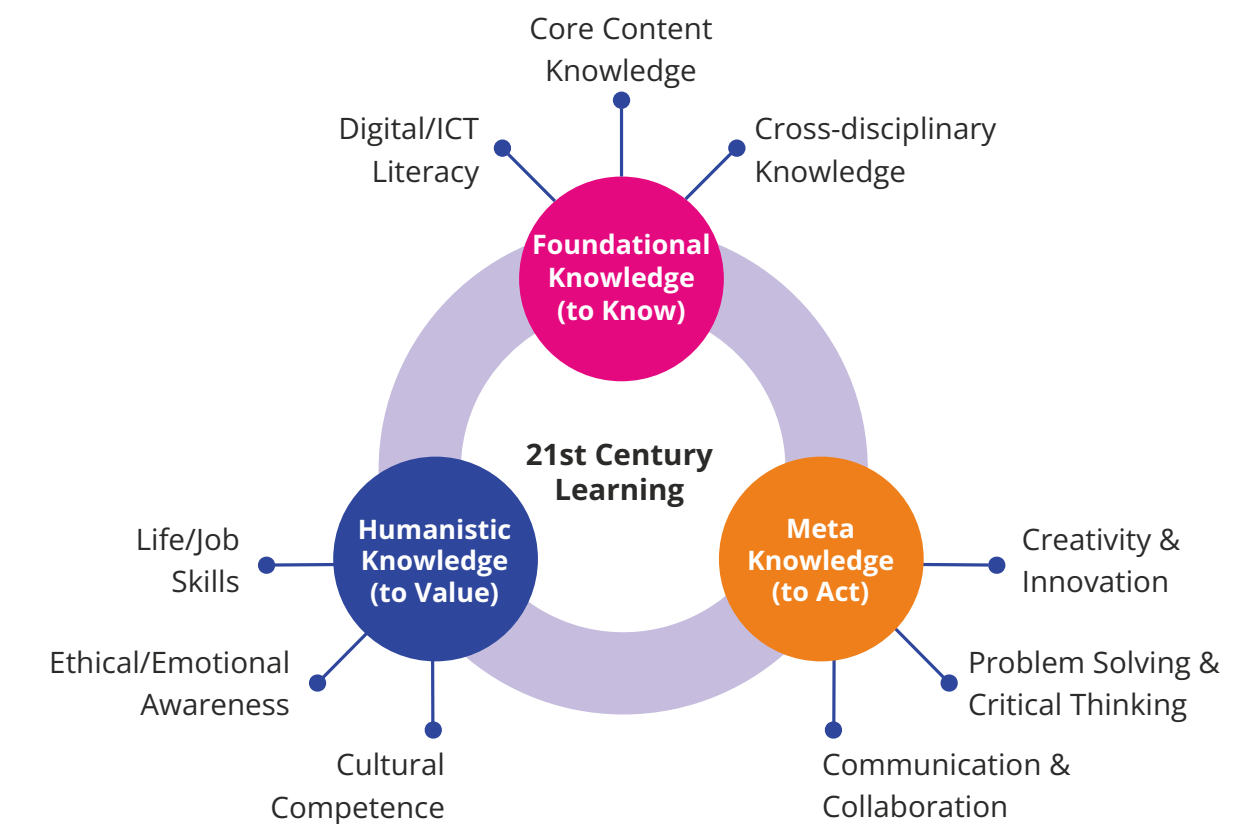

“Teaching and learning with people you know and understand allows magic to happen.”

In terms of teaching innovations, we focus on two things-

- doing the basics well and
- creating teaching and learning spaces that meet the needs of our curriculum.

Doing the basics well means that we, as a whole staff, regularly update our pedagogical frameworks to apply best-practices in education from across the globe. We also focus on reducing didactic teacher talk time, increasing student participation through questioning and planning, and on provoking the ability to think and reason amongst students.

The school emphasis is on all the MMites to be involved in social service as part of an integrated curriculum.

MM SCHOOL LEARNING PROGRAMMES

MM believes in 'EVERYONE MUST EXCEL' as per the individual potential of every learner. Every level of learning at MM is intensively designed to meet the age apt learning outcomes.

The following Programmes as per NEP 2020 help in the holistic development of every child -

- MM - Foundation Programme SHODHI Classes Nursery - II
- MM - Middle School Programme KAUTUK Classes III - VIII
- MM - Senior School Programme ABHYAST Classes IX - XII

HAPPITUDE

MMiites as SHODHI
(CLASSES NURSERY - II)

PREPARED TO EXPLORE AND VENTURE

The opportunities are varied during the initial years of education, children step into the formal ways of learning and hence it becomes important for teachers to develop a fun-filled learning atmosphere along with the required amount of seriousness. Primary years oblige trainers to be gifted to co-ordinate substance, abilities and qualities, wherein an educator can make a reasoning and logical classroom.

HAPPITUDE

MMiites as KAUTUK

(CLASSES III - VIII)

CONTINUOUS OBSERVATION
AND INDIVIDUAL STUDENT
ASSESSMENT

The middle years are the period for scholarly development and autonomy for students. The youngsters figure out how to handle conceptual ideas and the subject controls turn out to be more particular. The obligation of an instructor underscores after setting up connection within and between subjects.

MM Kautuk learners' 21st century skills-

- Communication
- Create & Innovate
- Collaborate
- Critical thinking
- Information literacy
- Media literacy
- Technology literacy
- Flexibility
- Leadership
- Initiative
- Productivity
- Social skills

HAPPITUDE

MMiites as ABHYAST

(CLASSES IX - XII)

CENTERED AROUND
FINDING THE RIGHT CAREER

The individual character of students and subject control escalates during this period. Students comprehend and discover their energy and capacities, with a focus on career goals. Hence, the school opens them to different fields and sorts out viable vocation based skills directing projects.

MM Abhyast learners' 21st century skills-

- Communication
- Collaborate
- Critical thinking
- Problem solving
- Perseverance
- Global awareness
- Self-direction
- Literacy skills
- Civic literacy
- Innovation skills
- Thinking skills

MATH LAB

MM Math Lab is the three pillars of 'Imagination, Investigation and Interaction'.

We provide an opportunity to all MMiites to understand, internalize, discover and verify the basic mathematical and geometrical concepts through concrete objects and situations.

The learning solution encourages the students to explore, reflect and interpret the ideas presented through a variety of media.

SPORTS

Cricket, Table Tennis, Chess, BasketBall and Lawn Tennis are offered as optional individual sports. Students can choose to specialize in any of these under our trained and experienced coaches.

FOOD & NUTRITION

At MM Cafeteria we provide-

- Right nutrition and diet
- Dining manners and companionship skills
- The correct use of cutlery and napkins
- Students acquire certain eating habits, later which they'll apply them at home. This can help make mealtimes more pleasant.

INDOOR GAMES

We MM School believe, a child requires both indoor and outdoor games for holistic development. Snooker, Table tennis, Carrom, Chess and other board games improve the concentration and co-ordination among the students. Hand eye co-ordination improves, puzzles and board games improve their analytical ability.

Indoor games also provide entertainment and relaxation for children. Besides, they will improve learners' hand-eye co-ordination, critical thinking and cognitive abilities.

SWIMMING POOL

MMiites enjoy a facility of a swimming pool so as to receive their daily needed physical exercise. It helps them to develop both physically and mentally.

Continual swimming exercise can help the students to become more self-disciplined and determined to succeed in school. It also provides an advantage of improving reading and writing skills because swimming, an ambidextrous physical activity, balances the left and right hemispheres of the brain.

ADDING FINESSE VIA CAREER COUNSELING

MM School arranges counseling sessions from time to time to assess and counsel the students as well as parents for proper career options. Counseling sessions are also arranged for the parents and students of Grade VIII to XII to guide them in opting for the appropriate curriculum and subjects, in accordance with their career objectives.

MM House System

The MM Student Council is democratically elected every year and plays an active role in the School. Its purpose is to serve as a meeting place for the student body and the Management, where the Students assume responsibility of organising various school activities. It is a forum where members are trained to conduct formal meetings and express themselves in a responsible manner. The Council promotes leadership, encourages the student body to take initiative and interest in School activities, and have concern for the general welfare of the School.

MM Students are allotted different Houses -

House Name - Sahas
Motto - Perform & Triumph

House Name -Samagra
Motto -Empower & Change

House Name -Shourya
Motto - Valour, Courage & Action

House Name -Shakti
Motto - Endure & Win

Social Initiative

MM School endeavors to develop in every student the sense of responsibility towards the world with a social cause keeping in tandem with the aim and objectives set by the United Nations. In our endeavor to make students of MM responsible citizens of the world, social initiatives and other programs with a social cause are an integral part of their life on the school campus. Social initiatives include contributing towards the flora and fauna by taking care, feeding them etc. Also towards the community helpers who help in the smooth functioning of the school.
